

## Double Knob Property Owners Association FY2021 Payment Analysis

One of the subjects that arose at the POA annual meeting was the relative contributions made by the various Subdivisions of the Double Knob Community. The charts below offer some insight on contributions made for FY2021 (November'20-October'21). The charts also provide information as to which sections of our community are accessed by Big Ben only and which sections use both Big Ben and Gobbler Knob.

Hopefully, this information is of value and provides insight on how Property Owners' contributions compare community-wide.
